Dear Mid-Manhattan Youth Council Member/Friend:

The NAACP is in a coalition of various civic and labor organizations who will be in Washington, DC on 10.2.10. Every Branch, Youth Council, and College Chapter is being strongly encouraged to participate in this historic event that has the potential to change policy. At this time, the Mid-Manhattan is fully supporting the 10.2.10 Movement.

In an act of solidarity, we have united forces with members of the community to mobilize to Washington, DC via bus. Due to the high volume of potential participants, the Youth and College Chapters are working together to fill as many buses as possible. There will be a Youth and College bus. I apologize for my tardiness, but the names for the free bus list will need to be submitted by September 1<sup>st</sup>, 2010. The Mid-Manhattan Branch will also have several buses. The tickets are \$40, including refreshments for a round-trip. I will be sure to act as quickly as possible to accommodate as many members as possible so that we are in full force on 10.2.10.

Sadye Vassel, a 10.2.10 volunteer, is having an event on September 15th from 6-9PM @ Gallery Bar, located on 120 Orchard Street. Bill de Blasio &/or Scott Stringer are going to be guest speakers and the other hosts include 2 student groups from NYU, NY Oberlin Alumni Chapter, & a couple of musicians. There we will be doing a raffle to get people on the bus, and signing people on to get on the bus! I am volunteering to assist with the event. It is time to rally our troops and move forward as one united unit to support this cause.

Respectfully submitted,
